

Sun City Summerlin Softball Club March Bulletin

Members of the Club:

Annual Club Fair. Thanks to all who helped with the Annual Fair. Gary Kuehl and Rob Robinson, with assists from **Freddy & Jimmy**, manned our table and spoke with several potential new members at this well-attended event. Thanks to **Mike Warzocha** for developing our professional display.

Champions and MVP! Congratulations to the **Las Vegas Coyotes 75 AAA** team for taking the top spot in the **Tournament of Champions** in **Lakeland, FL**. This tournament brought together 2017 champions from major regional tournaments around the country and the Coyotes earned their place by winning the Southwest Tourney in Las Vegas. Our club was represented by **Johnny Bellavia, John Lytle, Ed Schimmels, and Larry Miller**. Larry earned **MVP** honors in their division. Well done, champs!

Paul Rocks! Thanks loads to **Paul Madigan** for providing safer footing behind the fence for outfielders retrieving HR balls. Paul pulled back the large jagged rocks and spread a smaller rock base for 3-4 feet behind the fence from the left field line out well into center field. We appreciate Paul's efforts (w/an assist from **Tom Popek**) and generosity with his time on behalf of the Club and our Community.

Treasurer Notes. The club had expenditures totaling \$60 for the Club Fair.

Spring Golf Tournament. We are holding our tournament at **Highland Falls** on **Thursday, March 22** with first tee time at **10:00**. Let your Manager know if you wish to participate in this scramble event. No need to be a pro to play...it's all for fun and bragging rights.

Game Times. Reminder that game #1 each day begins at **8:30** and that follow-on games begin roughly 10 minutes after the previous game concludes. **Daylight Savings Time** - Remember to set your clocks ahead when you go to bed on Saturday, March 10 so you will be on time for games Monday the 12th.

Results. A reminder to the **winning managers** to notify **Bob Altomondo** of your game results so he can update the standings on the website. We will use those in sending out our Weekly Summary.

Election Note. Thanks to our members who have stepped up to serve our club as potential board members. So far, we have the following nominees/volunteers for office:

President Rob Robinson
Vice President Paul Flynn, Bob Altomondo
Treasurer Marco Caldana
Secretary Ross Anderson

If you are interested in joining this great officer slate contact **Tom Popek** or **Russ Roskens** or any member of the current board to toss your hat into the ring. All members are encouraged and welcome to serve on the board. If you have questions on the duties of these positions, feel free to contact any of our current board members. We will close out nominations on **April 15** and finalize the slate for our election.

Club Constitution & Bylaws. The **Clubs and Community Organizations Committee** (CCOC) of the SCS Board has approved a new, streamlined Procedures Manual and will be submitting it to the SCSCAI Board of Directors for adoption on Tuesday, March 6. If adopted, it will require that all clubs re-write their constitutions and the community will hold a seminar to assist club boards with this requirement. We will keep you posted on these developments and our timeline for drafting our new constitution and submitting it to our membership for approval.
